Here at Infinity Playground Equipment we are a newly opened business but rest assured we are not new to the industry. The owners have been in this industry for 40 years combined. One owner designing, building and installing playground equipment for 30 years. The other owner has 10 years in the sales and marketing end of the industry and customer service. It is our goal to build high quality safe playground equipment for the children because at the end of the day that is what it is all about – ensuring that children are having fun and having it safely.

We will strive to have the best customer service possible and do our best to always have 100% customer satisfaction. We will build the highest quality toys at the best price possible to make the toys affordable for all consumers. We will always look to improve our equipment and develop new designs to bring into the Playground Industry.

All our equipment is built of heavy gauge steel — commercial grade and built using ASTM and CPSC Guidelines. All materials are manufactured in the United States. You will not have the worry of inferior steel or lead paint associated with imported toys or materials. A lot of the toys will have imaginary theme panels built out of HDPE Plastic which is high density polyethylene plastic. It is very durable, Fade Resistant, UV Resistant, and Scratch Resistant. All plastic lumber on Infinity Playgrounds equipment is GreenCircle Certified® Tangent Poly-Tuf™ Post-Consumer Recycled Plastic Lumber. We do all this to make the toys as low maintenance as possible because who wants to replace worn items on toys all the time.

The most important thing we hope to do is to let children's imaginations soar to new levels through play. Let their social skills be built by interacting with all their friends and help them get stronger as their motor skills are being refined and strengthened.

"Forever Building Imaginations Through Play"

Infinity Playgrounds Warranty

Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties start on the delivery date of the equipment. Lifetime warranties are non-transferable and apply only to the end user who purchased the playground equipment. A copy of the invoice, written statement and supporting photographs must be sent. Does not cover vandalism or misuse of the playground equipment.

5-year warranty on hardware against structural failure to deterioration, corrosion and workmanship

10-year warranty on post caps and clamps against structural failure to deterioration, corrosion and workmanship

10-year warranty on rails, loops, rigged climbers and decks against structural failure to deterioration, corrosion and workmanship

3-year warranty on all HDPE plastic against structural failure to deterioration, corrosion and workmanship

3-year warranty on all rotational molded plastic components against structural failure to deterioration, corrosion and workmanship

3-year warranty on all blow molded plastics, Trike Path plastic, moving parts and working parts against failure due to materials and workmanship

All equipment is built in the United States in North Alabama. All materials are manufactured in the United States. All playground equipment requires care and maintenance to keep your equipment in top condition for many years. We will help you with the maintenance by giving you information of how to keep it clean, tighten bolts so the life of your equipment is a long one. There is always a voice at the end of the phone to help you in any manner.

We make sure all playground equipment meets CPSC, ASTM, and ADA, we want to build you the best playgrounds and free-standing play events.

INFINITY CYCLES

Infinity Cycle

The versatile Infinity Cycle is designed for both indoor and outdoor playgrounds. Since it needs limited space it is ideal for smaller, limited space areas. The Infinity Cycle is a great choice for strengthening muscles and improving motor skills. Installs permanently in place with the included ground stakes. The Infinity Cycle is designed for children ages 2-7.

USE ZONE: 17'4" DIAMETER | DIMENSIONS: 5'4"W X 2'2"H | WEIGHT: 198 LB

Infinity Mini Cycle

The Infinity Mini Cycle is designed for children ages 18 – 36 months using their feet to push rather than pedal. Installs permanently in place with the included ground stakes.

USE ZONE: 16' DIAMETER | DIMENSIONS: 4' W X 2'8"H | WEIGHT: 155 LB

IP-5021 5-seat Infinity Cycle

IP-5022 4-seat Infinity Mini Cycle

IP-5023 Infinity Mini Cycle (no pedals for toddlers)

COLORS: red, blue, yellow, lime green, dark green

DOTS: red, blue, yellow, beige

TRIKE PATH

The Trike Path helps keep trikes and riders safer, away from other playground traffic. Easy to set-up, change, and maintain the Trike Path instantly improves the playground experience. Build their imagination by varying the track and its accessories. Playhouses are also a Trike Path Accessory to build a city around your path. And you can grow your Trike Path over time and make it as large and elaborate as you can imagine.

Our Trike Path is ADA Compliant, it is 66" wide and has a 2" edges along the side so your play area can be ADA compliant.

Tricycles

These heavy duty tricycles are built give years of service. Tricycles can be stored in the General Store and Gas-N-Go right next to the Trike Path.

IP-7040 Tricycle
IP-5020 Set of 6 signs
IP-5014 Single sign (specify)

Gas Station

This gas station is a great addition to your Trike Path. Kids can enjoy a rest while "fueling up" their trikes before hitting the road.

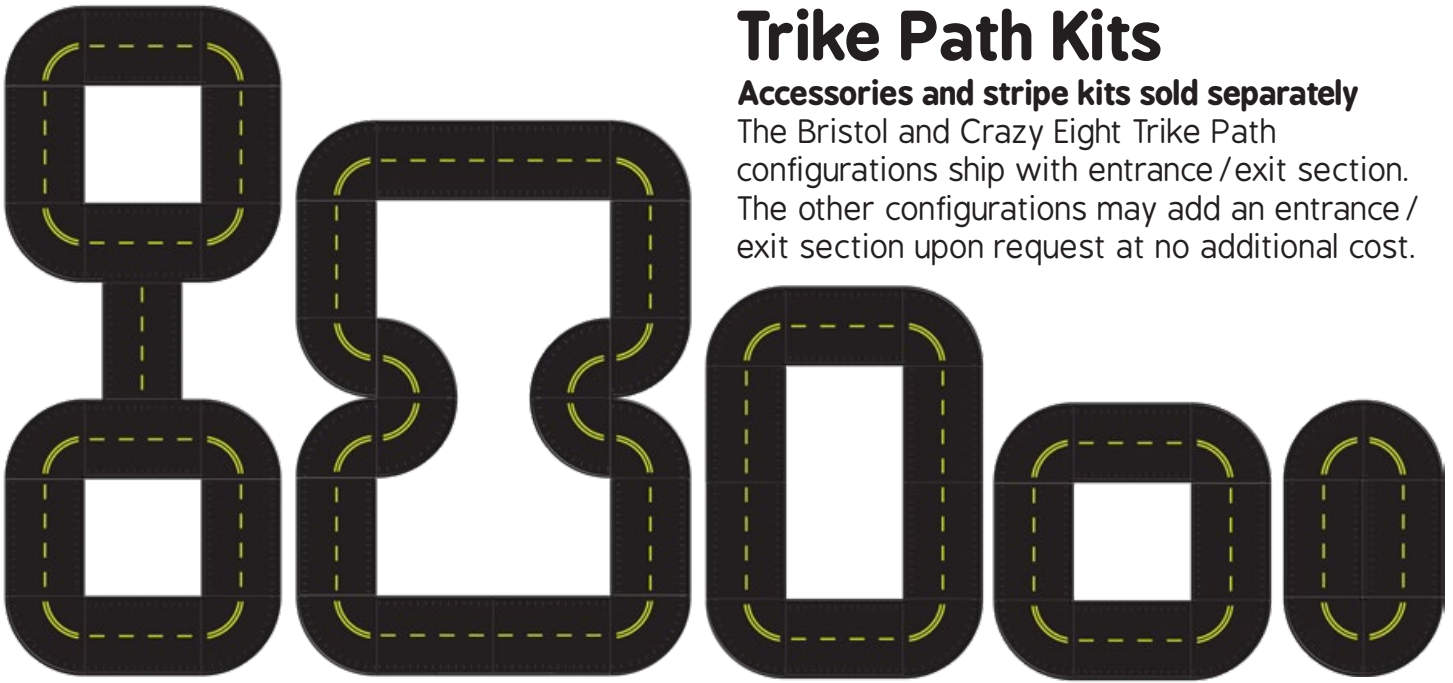

IP-5043 Gas Station
COLORS: blue and white, blue and yellow, or dark green and beige

DIMENSIONS: 5'4"L x 10"W x 7"H
WEIGHT: 110 LB

Trike Path Kits

Accessories and stripe kits sold separately

The Bristol and Crazy Eight Trike Path configurations ship with entrance / exit section. The other configurations may add an entrance / exit section upon request at no additional cost.

Rubber Playground Mulch

Rubber mulch is a green product made of 100% recycled materials.

Engineered Wood Playground Mulch

ROLE PLAY

Add spaces where imaginations can take control. Let children build their own adventures in a colorfully-constructed playhouse. The playhouse includes a HDPE roof and HDPE plastic accents. The playhouse can give children some shade while on the playground. Add props to build upon the experiences or add them to the classroom to create a reading room. Playhouses are also a Trike Path Accessory to build a city around your path. And you can grow your Trike Path over time and make it as large and Elaborate as you can imagine. Use your imagination!

USE ZONE: 10'L X 10'W | DIMENSIONS: 4'L X 4'W X 5'3" | WEIGHT: 140 LB

Post Office Playhouse IP-7012

The Post Office Playhouse couples well with our **Mail Truck Spring Vehicle**

IP-7010

DIMENSIONS: 5'9" L X 2'7" W X 3'1" H
WEIGHT: 251 LB

NATURAL PLAY AREAS

Embankment Slide

Embankment Slides are great for all playgrounds as well as natural playgrounds as the slide becomes part of the landscape. Our Embankment slide sits on a large mount with 2 double slides coming off both sides. A Driving Panel on the large top deck

for more activities. Natural Stone Steps with a powder coated hand rail to get the children safely to the top. HDPE Panels with custom designs IP-9154

Art Panel

This station includes an easy-cleanup painting surface on both sides, built-in cup holders make adding color a snap. Installs permanently in place with the included ground stakes.

IP-1001

USE ZONE: 16'L X 16'W
DIMENSIONS: 4'L X 4'W X 4'H
WEIGHT: 116 LB

Island Mud Kitchen

Recycled plastic lumber, HDPE plastic and 4 stainless steel bowls removable

IP-8020

USE ZONE: 15'9"L X 14'6"W

DIMENSIONS: 3'9"L X 2'6"W X 2'1"H

WEIGHT: 90 LB

Bubble Station

Give your children hours of fun with Bubbles. We all know kids love to make bubbles and some like to chase the bubbles & pop them. The bubble station is made of recycled plastic lumber and HDPE Plastic. It has two rectangle stainless steel pans that holds a lot of bubble solution. The pans measure 19.5"L x 11.5"W x 6"deep.

COLORS: green & beige, red & yellow, blue & yellow

IP-8048

USE ZONE: 15'9"L X 14'6"W

DIMENSIONS: 31"L X 47"W X 25"H

WEIGHT: 100 LB

All plastic lumber on Infinity Playgrounds equipment is GreenCircle Certified® Tangent Poly-Tuf™ Post-Consumer Recycled Plastic Lumber

Climbing Wall

Our Climbing Wall is made from HDPE Plastic. It is big enough to challenge young climbers and small enough for their safety. It also has a fun crawl through tunnel underneath which they will love going over then through the climber.

COLORS: blue & yellow, red & yellow, or green & beige (beige tunnel)

IP-8038

USE ZONE: 16'6"L X 14'5"W

DIMENSIONS: 56"L X 30"W X 48"H

WEIGHT: 161 LB

Recycled Plastic Chime

The Chime Wall is made from recycled plastic and would make a great addition to outdoor classrooms and natural playground areas. Meets CPSC guidelines.

IP-7293

USE ZONE: 14'L X 15'W

DIMENSIONS: 4'6"L X 2'5" X 3'8"

WEIGHT: 90 LB

Chalk Board Flowers

The Chalk Board Flowers are a colorful addition to any playground. Every child likes to express themselves through drawing pictures. Also, they can pretend they are the teacher on the playground with their own chalk board. Colorful flowers made of HDPE Plastic and the black center is TPO plastic. Entire flower is washable from the chalk.

IP-8032

DIMENSIONS: 40"L x 34"W x 1"THICK WEIGHT: 20 LB

Fruit Art Panels

These apple, pineapple, and blueberry inspired panels are made of HDPE Plastic and the center white portion is made of White Plexiglass. Washable.

IP-8050

DIMENSIONS: 43"H x 31"W x 8"THICK W/PAINT CUP HOLDER WEIGHT: 22 LB

Balance Beam Zig Zag

It is great for promoting coordination and physical fitness. It has the look of lumber but will not splinter or decay and very low to no maintenance. Built of Recycled Plastic Lumber.

IP-8040

USE ZONE: 23'L X 16'W DIMENSIONS: 132"L X 24"W X 10"H WEIGHT: 80 LB

Benches

Happy, Friendly, Helpful, Kindness, Honesty, Playful.

These thoughtful benches made of durable HDPE plastic provide a comfortable place to rest and a reminder to children of positive character traits.

IP-8052 4ft In-ground benches

DIMENSIONS: 48"L X 15"W X 15"H | WEIGHT: 30 LB

Infinity Playgrounds does not build or sell RC cars or components.

MULTI-PURPOSE TRIKE PATH

Trike Paths can also be used as RC car tracks for children or for more serious hobbyists. See pages 2-3 for racetrack-inspired Trike Path Kits or call 844-764-6416 to order individual components to create a custom track.

Preschool Picnic Table

This sturdy table includes an industry standard powder coat metal frame with heavy HDPE plastic top and seats. COLORS: blue & yellow, red & yellow, and dark green & beige.

DIMENSIONS: 3'8" L X 3'8" W X 1'8" H | WEIGHT: 90 LB

IP-7038 Kids Picnic Table

Spinning Tea Cup

Whirl your way through a fun afternoon with the Spinning Tea Cup. Inside the round tub, kids will find a comfortable bench seat to sit and spin, while the cup's tip-proof base is sturdy enough to keep children snug inside while in motion. Pre-drilled holes eliminate rainwater.

USE ZONE: 15'3" DIA.

DIMENSIONS: 3'6" DIA. X 24" H | WEIGHT: 70 LB

IP-8034 Spinning Tea Cup

POLY-COATED PLAYGROUND AMENITIES

All poly-coated furniture is completely coated with a thick layer of UV stable, mold-resistant plastisol and therefore protects the products from harsh environmental elements. Because there is no exposed metal, rust is never a problem.

- 20-year warranty.
- Easily clean with a power washer or hose using mild soap, then finish off with a bleach-free disinfectant.
- The diamond-shaped openings of the expanded metal surfaces won't hold water, therefore surfaces dry quickly after a rain.
- Legs are coated so moisture won't penetrate to the steel, so no rust that can weaken the steel.

6ft Freestanding Bench with Backrest

The seat and backrest are 10 inches deep and the 6' bench will comfortably seat approximately 3 adults.

FOOTPRINT: 72" x 26" 10" seat depth

WEIGHT: 130 LB

IP-SA-116
