# ABOUT US

At Wisdom Playgrounds, our business philosophy is simple. We promote children's physical and intellectual development through activity while continuously being dedicated to creating high quality, safe, durable, and environmentally friendly places for communities to come together and explore a healthy lifestyle full of activity.

WISDOM continues to focus on providing unique designs and innovative concepts with a wide variety of Quick Ship options. What sets WISDOM apart in the Quick Ship industry for playground equipment? Our ability to warehouse by component means we can produce our WisePLAY 3.5" Quick Ship pre-design modular structures in 3-5 days. This allows our customers the ability, not only to pick from one of our 75 pre-designed units, but also semi-custom design their own from our large array of stock offering all at a reasonable price. We offer the fastest delivery option you can find in the industry for commercial playground equipment.

We are proud to be one of the first in the industry to offer a fully Inclusive playground system with two different Quick Ship options. Our WisePLAY 3.5" system allows for us to keep our warehouses fully stocked with entire inventory product lines, so we are ready to ship and deliver to you in 3-5 days. With a modern warehousing & logistics center in Wilmington, North Carolina, we are ready to provide top-notch services and out of this world fast delivery.

# WHAT MAKES WISDOM DIFFERENT

## ADVANTAGE COMPARISON

**COMPETITOR VS WISDOM**

**SET EQUIPMENT SHIPMENT**  
CAN NOT MEET CUSTOMIZED DESIGN

**VS**

**MODULAR DESIGN**  
MODULAR DESIGN, UNIQUE SHAPE FOR EASY IDENTIFICATION  
CLEAR STRUCTURE FOR EASY ASSEMBLY, EFFICIENT AND CONVENIENT CONSTRUCTION.

**COMPETITOR VS WISDOM**

**15-30 DAYS**  
**SLOWER SHIPPING**  
SET EQUIPMENT IN STOCK WILL HAVE TROUBLE TO SHIP IF THERE ARE MISSING PARTS

**VS**

**3-5 DAYS**  
**SHIPS IN 3-5 DAYS**  
WISDOM IS DIFFERENT FROM THE OVERALL MARKET IN THE AVAILABILITY WE OFFER. WE STOCK A WIDE VARIETY OF EQUIPMENT IN OUR QUICK SHIP SECTION. FROM THE TIME THE ORDER IS PLACES DELIVERY OF PRODUCT WILL ARRIVE IN 3-5 DAYS

**COMPETITOR VS WISDOM**

**37" SMALL DECK**  
DECK SIZE 37 X 37 IN, COVERING 9.4 SQ FT. CAPACITY FOR ONLY 9 KIDS PER DECK, MAX LOADING WEIGHT 2500LBS ONLY

**VS**

**41" BIG DECK**  
DECK SIZE 41 X 41 IN, COVERING 11.6 SQ FT. **23%** MORE THAN 37 X 37 IN DECK. INCREASE CAPACITY TO 11 KIDS PER DECK, MAX LOADING WEIGHT 3000LBS

**3.5 INCH SYSTEM FULLY INCLUSIVE**

**COMPETITOR VS WISDOM**

**PARTIALLY MEETS**  
37 IN TRIANGLE DECK  
PARTIALLY MEET ADA REQUIREMENT

**VS**

**FULLY MEETS**  
41 IN TRIANGLE DECK  
FULLY MEET ADA REQUIREMENT

**COMPETITOR VS WISDOM**

**LOW QUALITY MATERIAL**  
LOW COST MATERIAL, SIMPLE PRODUCTION PROCESS  
OBVIOUS GAPS, LESS ABILITY TO RESIST OUTDOOR ENVIRONMENT

**VS**

**FINE MATERIAL AND PRODUCTION**  
SLIDES WITH ROTATIONAL MOLDING PROCESS, GRANULATION TECHNOLOGY AND MODIFIED MATERIALS  
HEAT AND COLD RESISTANCE, ANTI-AGING AND ANTISTATIC

**COMPETITOR VS WISDOM**

**DECK SIZE 37 X 37 IN**  
CAN NOT USE DOUBLE SLIDE

**VS**

**DECK SIZE 41 X 41 IN**  
FULLY MEET THE WIDTH REQUIREMENT FOR DOUBLE SLIDE

**COMPETITOR VS WISDOM**

**31" REGULAR SIZE PANEL**  
THIN AND LIGHT, LESS SPACIOUS DESIGN

**VS**

**34" PANEL IS 3 IN WIDER**  
COVERING AREA **10%** MORE  
GREAT APPEARANCE.

In line with international safety standards

## LEADER IN HEALTH & SAFETY

Here at Wisdom Playgrounds, we strive to have high standards and safe products for all to use. We understand children are still developing their bodies and are susceptible to harmful substances, and dangerous chemicals. We strictly monitor the content standards of chemicals that are used in our playground equipment. We know that children thrive when they are naturally active, and in a safe environment. Which is why Wisdom Playgrounds makes our products safe, stable, and to the highest standards possible. Our structures are suited to take on high traffic areas like kindergartens and daycares. We also take into consideration the necessity to develop our products in ways that will reduce collision damage and prevent potential dangers to both the physical and mental health of children who engage with our products.

Children are the hope and the future of our nation. It is our responsibility to let children grow up healthy, safe, and in a green learning environment. This will stay the core value of Wisdom Playgrounds for many more years to come.

## SUSTAINABLE & ENVIRONMENTAL PROTECTOR

WISDOM has successively obtained multiple certificates that comply with international standards, such as ISO9001, ISO14001, ISO45001, FSC and China Green Product certification, marking WISDOM's strategic ability and determination to adhere to sustainable development!

Implement the concept of eco and quality, integrate global advanced education concepts into the DNA of WISDOM products with the eyes of the world, and aspire to provide green, eco, and high-quality products for children around the world. Help children explore the world with peace of mind and experience a beautiful and happy childhood!

# THE MAKING OF A WISDOM PLAYGROUND SYSTEMS

Quality you can see, value you can measure

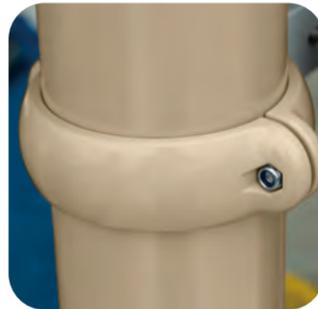

## LIFE-TIME WARRANTY

- 1: Excellent quality: All equipment materials are specially selected, sturdy, safe, eco, and durable.
- 2: Long-term warranty: Up to 15-100 years warranty on main structure against structural failure due to material or manufacturing defects.

## ROTOMOLDED PROCESS

- 1: Quality materials: Selected high-grade LLDPE raw materials, linear low density polyethylene, impact resistance, cracking resistance, heat/cold resistance, acid, alkali and organic solvent resistance, etc., perfectly adapted to various harsh outdoor environments.
- 2: Flexible design: not limited by size/pattern/color/thickness, designers can freely play and easily meet ideal expectations.
- 3: Eco & Safety: one-time molding, no scraps, no waste, non-toxic and odorless.

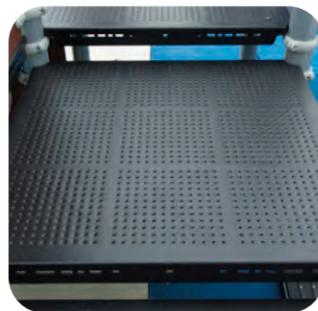

## CLAMP ASSEMBLY

- 1: Clamp design: abandon the common phenomenon of only screw fixing, which is prone to loosening and shaking over time. The clamp design is stable and firm.
- 2: High quality metal: strong stability, burst resistance, cracking resistance, rusty resistance and fine polished, no corners or sharp edges, ensure safety in daily use.
- 3: Convenient assembly: "One loop, one clamp" closed-loop fastening. Simple assembly, convenient maintenance.

## PROFESSIONAL WELDING

- 1: Mature craftsmanship: Senior craftsman meticulously works, with even welding joints and careful polishing, with no burrs, incomplete penetration, or porosity overall.
- 2: Safety first: The welding joints are stable, firm, and smooth, strictly ensuring product safety.

## DECK/STAIRS

- 1: Selected Metal: High strength cold rolled steel flat, structurally and mechanically stable, corrosion-resistant, weather resistant, safe and eco, suitable for outdoor use.
- 2: PVC coating: After professional technical treatment such as gluing, preheating, PVC coating, and high-temperature curing, the steel deck has improved its anti slip, anti wear, anti static, and anti crack properties, making it new over time.

## TUBULAR POST

- 1: Thickening material: fabricated of 3.5 in. outside diameter, 13 gauge galvanized steel tubing, making it more secure and safe.
- 2: Two mount types: Inground mount and surface mount as needed.

## QUALITY POWDER COATING

- 1: High-end technology: To avoid problems such as rust and aging of steel tubes, we use high-end hot dip galvanizing technology combined with high-quality outdoor powder coating to extend the service life!
- 2: Craftsmanship process: Galvanized tubes require a total of 13 processes, including water washing, oil removal/impurity removal, and electrostatic spraying. Ensure smooth and flat surface, rust and corrosion resistance, and long-term durability.

# Quick Ship

WISDOM PLAYGROUNDS offers a wide variety of Quick Ship options to make any project a little faster, without jeopardizing the quality of the product to do so. When ordering a Quick Ship item, the standard delivery time is 3-5 days from the time the order is placed.

Wisdom Playgrounds is an industry leader in providing a quick solution to delivering playgrounds fast and efficiently. We understand that there is a need for playgrounds to be offered at a reasonable cost in order to be a part of the greater solution to keeping children and adults active and living a healthy lifestyle full of activity. We are proud to offer equipment that is environmentally safe, along with high quality and durability.

# WisePLAY

## Quick Ship

WisePLAY Quick Ship playgrounds are a great solution for anyone that needs to enhance their facility with quality play space and needs to do so quickly. As the name suggests, QuickShip playgrounds can be on-site in a very short time frame. Quick Ship playgrounds provide a variety of activities in a small or medium-sized space. With the weight and size of these structures being smaller, it keeps the cost of purchasing the structure down, as well as the overall shipping costs.

WisePLAY structures are built with 3.5" posts instead of 5" posts, which allows the structure to be lighter, and more versatile. Every playground in the Quick Ship section has the options of either a Primary color palette, or a Nature color palette. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities in a QUICK AND TIMELY manner.

# WisePLAY Inclusive Quick Ship

All-inclusive playgrounds are accessible, but not all accessible playgrounds are inclusive. At Wisdom Playgrounds we understand that we are not just designing our structures for the children. We know it takes a village to raise a child, which is why we always accommodate the parents and caregivers of various abilities that utilize our equipment. Following some fundamental principals, an inclusive playground will ensure that everyone can access the best play activities on the playground.

A crucial element to making an inclusive playground work for everyone is co-locating various kinds of the same type of activity so that someone who may have limited physical abilities can enjoy the same activity as the person close to them on a similar but perhaps more challenging activity. At Wisdom, we can all play together.

WisePLAY Inclusive playgrounds are artistically crafted with 3.5" OD galvanized steel support posts which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

# WiseTOT Quick Ship

WiseTOT Quick Ship playgrounds are a great solution for anyone that needs to enhance their facility with quality play space and needs to do so quickly. As the name suggests, WiseTOT Quick Ships can be on-site in as little as 3-5 days. The WiseTOT series was developed with the little ones in mind. WiseTot's colorful and playful designs encourage children to explore all elements of play that are incorporated in these structures. Sensory processing plays a crucial role in the development of fine motor skills and mood regulation, which are necessary skills for children to help identify and manage their emotions in appropriate ways. Wisdom's WiseTOT series are built to last and be a place where tots can explore and have fun! Featuring sensory elements like sight to sound, and touch and feel to keep their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment.

# WiseNEX Quick Ship

Part of the WiseWORX Series, WiseNEX features ropes that make outdoor play more engaging. WiseNEX is the perfect solution for any community that is in need of a more physically challenging play structure. This series involves a large variety of climbing, hanging, and balance pieces, to create imaginative play spaces combined with adventure. These structures provide numerous building blocks for overall coordination; attention and concentration, body awareness, muscular endurance, sensory processing, and isolated movement, which are some of the many building blocks this series provides.

# WiseTOT

The WiseTOT series was developed with the little ones in mind. WiseTOT's colorful and playful designs encourage children to explore all elements of play that are incorporated in these structures. Sensory processing plays a crucial role in the development of fine motor skills and mood regulation, which are necessary skills for children to help identify and manage their emotions in appropriate ways. Wisdom's WiseTOT series are built to last and be a place where tots can explore and have fun! Featuring sensory elements like sight to sound, and touch and feel to keep their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment.

# WiseTOT

## Lean On Me Series

The WiseTOT Lean On Me Series was developed to let children release their passion for adventure in a safe environment and cultivate the learning ability to not be afraid of challenges. WiseTOT Imagination City playgrounds are part of the Lean On Me series, which integrates equipment that will keep the imagination going, along with special sensory integration that helps promote the balanced development of children's gross motor abilities and overall sensory abilities.

Imagination City provides the smaller children an option to explore their surroundings more autonomously and with interesting activities. Featuring sensory elements like sight, sound and touch, keeps their minds and bodies engaged. WiseTOT structures are loaded with shapes, colors, and moving parts to provide endless amounts of entertainment. Wisdom's variety of activities comprehensively develop children's different abilities.

# WisePLAY

Wisdom's WisePLAY structures are a great solution for organizations that want to enhance their facility with an exciting play space that has a slightly smaller footprint than the standard. WisePLAY structures are artistically crafted with 3.5" posts instead of 5" posts, which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety and durability, we accommodate making high quality playgrounds packed full of activities. With the WisePLAY structures overall weight being smaller because of the pole size, this keeps the cost of purchasing the structure down, as well as the overall costs of shipping.

# WisePLAY Inclusive

All-inclusive playgrounds are accessible, but not all accessible playgrounds are inclusive. At Wisdom Playgrounds we understand that we are not just designing our structures for the children. We know it takes a village to raise a child, which is why we always accommodate the parents and caregivers of various abilities that utilize our equipment. Following some fundamental principals, an inclusive playground will ensure that everyone can access the best play activities on the playground.

A crucial element to making an inclusive playground work for everyone is co-locating various kinds of the same type of activity so that someone who may have physical abilities can enjoy the same activity as the person close to them on a similar but perhaps more challenging activity. At Wisdom, we can all play together.

WisePLAY Inclusive playgrounds are artistically crafted with 3.5" OD galvanized steel support posts which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

# WisePLAY Custom

WisePLAY Custom playgrounds are a great solution for organizations that want to enhance their facility with a play space that has a slightly smaller footprint than the standard, but has option to be custom designed. Our Custom structures come in a variety of color palette options and are artistically crafted with 3.5" posts. This allows the structure to be lighter, and more versatile. Here at Wisdom Playgrounds, we accommodate making high quality playgrounds packed full of activities, without sacrificing features such as safety and durability.

# WisePLAY Theme

WisePLAY Theme uses themed based play components that give you the opportunity to create playgrounds that mimic components from children's wildest dreams. Our pirate ships, Tree Houses, and Castles transport children to far away lands. Designed with many components for long-lasting fun. With their large supports, broad platforms, and wide array of colors any of the WisePLAY Theme components are a great addition to parks, schools, and communities. The time tested materials sourced form and combined with the skilled craftsmanship at the factory, this equipment is durable and requires less maintenance over time.

WisePLAY Theme structures are built with 3.5" posts instead of 5" posts, which allows the structure to be lighter, and more versatile. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

# WiseMAX

WiseMAX systems are built with 5" posts instead of 3.5" posts, which means it can handle large end-user volumes without constricting the excitement and enthusiasm found in the flow of play.

The time-tested reliability of the materials sourced for and combined with the skilled craftsmanship at the factory, produces equipment that is durable and requires less maintenance over time, so that your play space remains fun, inviting and open to the public.

# WiseMAX Inclusive

All-inclusive playgrounds are accessible, but not all accessible playgrounds are inclusive. At Wisdom Playgrounds we understand that we are not just designing our structures for the children. We know it takes a village to raise a child, which is why we always accommodate the parents and caregivers of various abilities that utilize our equipment. Following some fundamental principals, an inclusive playground will ensure that everyone can access the best play activities on the playground.

A crucial element to making an inclusive playground work for everyone is co-locating various kinds of the same type of activity so that someone who may have limited physical abilities can enjoy the same activity as the person close to them on a similar but perhaps more challenging activity. At Wisdom, we can all play together.

WiseMAX Inclusive playgrounds are artistically crafted with 5" OD galvanized steel support posts. Without sacrificing features such as safety or durability, we accommodate getting you a high quality playgrounds packed full of activities.

# WiseMAX Theme

WiseMAX Theme uses themed based play components that give you the opportunity to create playgrounds that mimic components from children's wildest dreams. Our pirate ships, Tree Houses, and Castles transport children to far away lands. Designed with many components for long-lasting fun. With their large supports, broad platforms, and wide array of colors any of the WisePLAY Theme components are a great addition to parks, schools, and communities.

The time tested materials sourced from and combined with the skilled craftsmanship at the factory, this equipment is durable and requires less maintenance over time.

WiseMAX Theme structures are built with 5" posts, which means they can handle end-user volumes without constricting the excitement and enthusiasm found in the flow of play. The time-tested reliability of the materials sourced for and combined with the skilled craftsmanship at the factory, produces equipment that is durable and requires less maintenance over time, so that your play space remains fun, inviting and open to the public

# WiseFIT

WiseFIT series is the perfect solution for any community that is in need of a more physically challenging play structure. This series involves a large variety of climbing, hanging, balances, and slides that can be individually placed or combined to create imaginative play spaces. These structures provide numerous building blocks for overall coordination, which include attention and concentration, body awareness, muscular endurance, sensory processing, and isolated movement. These are some of the many building blocks this series provides.

# WiseWORX

WiseWORX series is the perfect solution for any community that is in need of a more physically challenging play structure. This series includes our new WiseNEX system which incorporates a variety of nets and ropes. You will also find our New WiseSPHERE equipment within this section. These are dome shaped spheres that can be used individually to enhance the versatility and look of any play area. Our hexagon shaped WiseQUBES have gone through an upgrade, to have more variety in the size and way they are used with other components. These structures provide numerous building blocks for overall coordination, which include attention and concentration, body awareness, muscular endurance, sensory processing, and isolated movement. These are some of the many building blocks this series provides.

# NatureWISE

Wisdom's NatureWISE series was inspired by the many wonders of nature. Combining the adventure and excitement of nature with the durability, safety and low maintenance of high-quality play equipment, equals the perfect combination for endless amounts of imagination play.

- 203 NatureCHALLENGE
- 209 NaturePLAY Theme
- 215 NatureMAX Theme

[www.wisdomplaygrounds.com](http://www.wisdomplaygrounds.com)

# NatureCHALLENGE

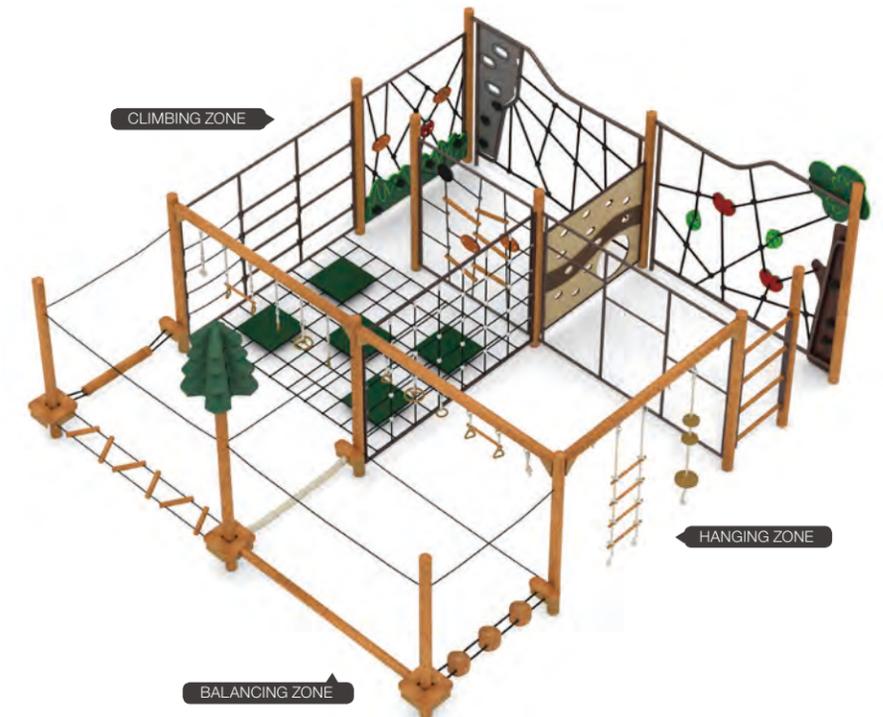

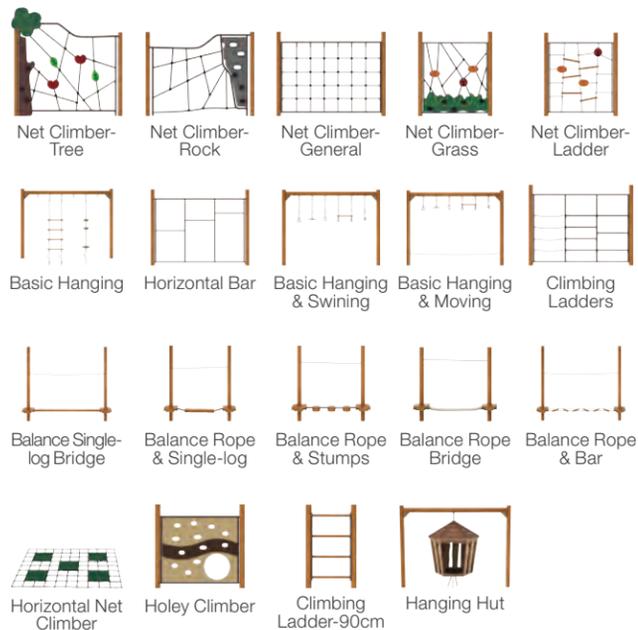

Wisdom's NatureCHALLENGE series is the perfect solution for any community that is in need of a more physically challenging play structure, with a variety of nature-themed elements, that can also be customized.

The NatureCHALLENGE series integrates large-scale comprehensive equipment and a elements of sensory play that help children to develop their physical abilities. This supports children to explore their surroundings more autonomously while using a wide range of activities. It also promotes the development of children's gross motor abilities and sensory processing.

All NatureWISE structures use high-end wood, which has its own anti-corrosion properties making it a strong and solid option with quality guaranteed. Wisdom's NatureWISE Series promotes the development of multiple skills in children through physical exercise.

THREE SECTION DESIGN-PROW & HULL & STERN

# NaturePLAY Theme

NaturePLAY features storybook like woodland elements, that encourage children to use their imaginations for outdoor play. This offers children the ability to transport to their own magical forests full of adventures. NaturePLAY structures are built with 4" square posts, which allows the structure to be lighter, and more versatile.

The NaturePLAY series is the perfect solution for any community that is in need of a more physically challenging play structure, with a variety of nature-themed elements, that can also be customized.

All NatureWISE structures use high-end solid quality wood, which has its own anti-corrosion properties making it a strong and solid option, with quality guaranteed.
